Internal Quality Assurance Cell (IQAC)

B. Introduction to IQAC:

Established in 1982, the MVJ College of Engineering, the flagship of Venkatesha Education Society, imparts education beyond engineering and Management. Situated on a 15-acre campus in Whitefield, Bangalore, MVJCE has state-of-the-art infrastructure, creating an environment for progressive learning and development. We are affiliated to Visvesvaraya Technological University (VTU) and approved by the All India Council for Technical Education (AICTE). MVJCE has on-campus learning centres in collaboration with companies such as National Instruments, Infosys and Texas Instruments. Aeronautical Engineering, Chemical Engineering, Computer Science Engineering, Electronics & Communication Engineering, Electrical & Electronics, Information Science Engineering and Mechanical Engineering are accredited by the National Board of Accreditation. The Institution is accredited by NAAC with B++ grade (3.00/4 scale)

The Internal Quality Assurance Cell (IQAC) is established in December 2012 in the Institution to maintain and enhance the quality of education. The prime task of IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of the Institution. IQAC functions as a chamber for planning various Quality policies that relate to the students as well as the faculty of the Institution.

The Institute has a well-defined policy for quality assurances which is ensured by the effective participation of all the stakeholders. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures which are to be adapted. The quality assurance processes, with regard to academics, and administration are an integral part of the institutional policy.

C. Objectives of IQAC

- To design, develop and implement appropriate Quality Processes & Procedures for the academic and administrative activities of the Institution in consultation with all the concerned members.
- To promote all the possible measures to enhance quality in academics and administration by incorporating quality culture and adopting best practices.
- To promote interdisciplinary and collaborative research culture.

D. Functions of IQAC:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra-institutional workshops, seminars on quality-related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including the adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality
- Development of Quality Culture in the institution

- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

E. Quality Policy of IQAC:

To strive for excellence in all Academic, Co-curricular activities and extracurricular activities by creating a benchmark.

F. Strategies of IQAC

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of the society
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.

G. IQAC Committee:

The quality policy and program shall be implemented through the following IQAC Committees. IQAC has been constituted under the Chairmanship of the Principal with heads of the departments, administrative members, experienced faculty, few distinguished educationalist and Stakeholders.
