

Report on Soft Skill Training

First Visit:

NSS unit, MVJCE had scheduled our visit to Sri Sai Krupa Charitable trust, KR Puram, in which 40 orphan Children reside. We offer them Soft skill training on regular basis every Saturday between 1 pm to 4 pm. Each week two groups consisting of 5 members will be visiting the orphanage. Each group will focus on one subject to teach, also will take the responsible to complete the task and ensure they render good educational service to kids.

We visited the Orphanage today at 1:30 pm (13/02/16).

As planned two teams consisting of 5 Volunteers each along with one NSS program officer visited the Orphanage. Today we started with English learning activity and later continued with Art & craft work. It was very good learning experience for both those kids and also our volunteers.

NSS Unit- MVJCE likes to thank the Orphanage staff for their support and also its volunteers for their efforts in making the program successful.

NOT ME BUT YOU

Our Second session of Soft skill training program at Sri Sai Krupa Charitable Trust was conducted on 21/02/16 at 1:30 pm by NSS Volunteers MVJCE.

As planned two teams consisting of 5 Volunteers each along with one NSS program officer visited the Orphanage.

Team Minion, dedicated to teach soft skills on English aspects started the day with few activities like English Interaction , Story Telling, Rhymes and other activity Based learning.

Team Colours, dedicated to teach soft skills on craft making made wall hangings out of ice cream sticks, Made pen stand out of ice cream sticks and small kids drew India map coloured it.

The children were very adoring and had excellent learning potentials. All our volunteers were joyful to teach the kids. As usual the Orphanage Staffs gave us full support, NSS unit convey our thankfulness for the same to all the staffs. We NSS Unit thank our management for the encouragement that we are being receiving in organizing our programs.

NOT ME BUT YOU

Our Third Visit on 21/02/16 at 1:30 pm.

It is our third visit the kids welcomed us like their relatives. They looked so happy when they saw us. They cheered happily and welcomed us with opened arms.

As soon as we volunteers entered the orphanage a 2 year old kid named suriya opened the gate for us it was very surprising to see the such a small kid doing it. As we entered inside the kids were happy to visit us after the first session of soft skill training. We started with craft works, the children were taught card making and collage using colour papers for age group of 2 to 10 yr old kids. And 12 to 15 yr old kids were taught to make pen stand and wall hangings using ice cream sticks and colouring them beautifully. Also when the kids were asked draw their own creative sketches, they were brilliant in their sketches as they drew India coloured map, picture of God sai baba and few cartoons. By the end of the session all the children were distributed chocolates bought by few of us students personally.

The Orphanage staff conveyed their thanks to program officer, NSS unit. They also added saying, children got good opportunity as they were able to learn things and indulge in extra activities as we started visiting the place regularly. Unlike other visitors hope we the NSS volunteers doing good service very efficiently in terms of time and cash spent.

The children were very talented and we're keen learn new things. All our volunteers spent good time in teaching the kids. As usual the Orphanage Staffs gave us full support, NSS unit convey our gratitude for the same to all the staffs.

We had a lot of fun and the children enjoyed themselves very well. They seemed to have a nice time with us.

Report about the fundamentals of computer

Visit 4

The NSS unit of MVJCE has planned to conduct various soft skill class for the students in the orphanage of Sri Sai Krupa Charitable Trust, K R Puram. Among various classes one is Fundamentals of Computers by the team Marines led by Shojin.R on 2nd April 2015. The class started at 2 pm. Around 35 students attended the class. The class start with the introduction of computers, in this session we explained about the computer system , parts of computer, input and output devices etc...pictures of various parts of computer also presented to them for their understanding purposes. This session continued till 3 pm.The 2nd session started with teaching the software MS paint. In this session the students are divided into 3 groups and conduct the class. Students are very much interested in doing it. We explained about it for 15 minutes and the remaining time was given for their practical in which, students tried to draw various landscapes. The class winded up at 4pm. It was very enjoyable and useful for them.
